Spanish Speaker's Contest

Objective: Sustain a two minute conversation in Spanish on a given topic with a partner.

Process: There will be three different rounds in the whole competition. To begin, students will have a two minute conversation on the topic they have prepared. The student will compete against their schoolmate and the one who wins will move on to the second round. The winner of the second round will then move on to the third (final) round. Students will compete individually and not as a team. Each round will consist of a different topic and it is recommended that the competitors study all the topics ahead of time.
